WHAT IS DUCHENNE?

**Children's Duchenne* is a terminal disease that destroys virtually every muscle in a child's body until a fertile young mind is trapped in a useless shell.

**Duchenne Children* are usually wheelchair bound by the age of seven, and death occurs from complications due to total paralysis in the teen years.

**Children's Duchenne* affects 1 in every 3,500 boys and more than 100,000 in the U.S. alone!

**Duchenne* can affect any family at any time.

**FIND-A-CURE* is a 501(c)3 nonprofit organization that was founded and based in Ocean County, N.J.
